Afternoon Activity

Creative Construction

Supplies

- 6- 8 ft Stakes/ Thin Rods
- Twine
- Small Pebbles/Gravel
- Potting Soil
- 48 Pole Bean Seeds

Directions

1. **Loosely tie rods together 8 inches from one end. (Rods will be adjusted later)**
2. **Fill bottom 3 in of each pot with pebbles/gravel**
3. **Fill rest of each pot with potting soil**
4. **Place pots in circular shape in your preferred teepee location**
5. **Secure one rod into the bottom of each pot with the tied end serving at the top point of your teepee.**
6. **Tightly secure the top of the rods with twine.**
7. **Weave Twine through the rod spokes of your teepee, leaving and opening between 2 rods.**
8. **In each pot, plant 8 seeds around the base of the rod**
9. **Don't forget to water your teepee and watch it grow throughout the season!**
