

THE WONDER OF WINDCHIMES

Create family memories through exploration and backyard adventures!

Morning Adventure

I Spy Supplies

Supplies

- Medium size stick/ driftwood (approximately 1/2 in diameter & 1 1/2ft long)
- Grocery Bag
- **Not Required*-* Decorating Supplies (paint, markers, etc.)

Directions

1. Take a walk around your neighborhood to search for natural supplies to create a homemade wind chime.
2. Find a base for your wind chime. Each base should be approximately 1/2 in wide and 1 1/2 ft in length.
3. Using the grocery bag, collect small decorative items for the tassels of your wind chime (feathers, seashell with holes, small sticks, etc.)
4. **Not Required*-* Decorate your found items using paint and/or markers

Afternoon Activity

Coastal Creations

Supplies

- All items found during "I Spy Supplies"
- Fishing Line
- Scissors
- Twine
- Beads
- Scissors
- Glue

Directions

1. Using the large stick (base) tie twine 1" from either end. Length of twine should meet personal preferences.
2. To secure twine, glue dot over tied knot of twine
3. Using Scissors, cut 6 various length tassels from the fishing line
4. Onto the fishing line, string beads and "I Spy Supplies".
5. Tie one end of each tassel to the base of your wind chime. Secure tassel with glue dot over each knot.
