### **Sponsorship Opportunity at Oak Island 2018 Summer Concerts**

The Town of Oak Island is currently making plans for the 2018 Summer Concert Series and would like to extend an opportunity to you and your business to become a Sponsor. The 2018 Summer Concert Series will include 14 Friday night concerts and 1 Thursday night concert featuring bands from all genres. This event is a great way to support the community and advertise your business. Approximately 8,500 people reside in Oak Island during the off-season. During the month of May through the beginning of September we will see approximately 35,000 people each week. Our concerts will see on average 500 – 2,000 people in attendance per show. Becoming a sponsor for this event will give you and your business additional exposure to locals and visitors on the island throughout the entire summer.

These concerts are free to the public to come and enjoy thanks to support from businesses such as yours! Please consider making your tax deductible donation to support the 2018 Oak Island Summer Concert Series and help us continue to bring outstanding live entertainment to our community. Become a sponsor today!
